

The image is a composite of several distinct sections. On the left, there is a large watermark-like reproduction of Leonardo da Vinci's Vitruvian Man, a drawing of a human figure in a standing pose with arms and legs spread wide, inscribed within both a circle and a square. To the right of this are two separate rectangular boxes, each framed in wood. The top box is for 'astellas' and features their logo (a red asterisk-like shape) and company name. It also includes the tagline '明日は変えられる。' and the website 'www.astellas.com/jp/'. The bottom box is for 'AMGEN' and shows a photograph of a person in a medical setting. Below the photo is the AMGEN logo.
